Para:Eduardo de la Rosa Flores <A01039969@tec.mx>

Congratulations Eduardo de la Rosa Flores!

You have completed the Curricula Training Plan **ABB Education Package - Cobot for Material Handling Skills Pack Course**.

If your Training Plan has a Survey, you can take it here:

(In case there is no Survey associated with this Training Plan, there will be no link displayed).

You can print your Class Completion Certificate from [here](#)

Thank you,

ABB MyLearning Team

In case of any issues:

1. Regarding Class / Training Plan itself (language, location, content details, etc.), please contact **Training Administrator** directly (this information should be given in Training description)
2. Regarding system functionalities, please look for solution in our [Support Materials](#)

If you cannot find solution for your issue, please contact us:

- **INTERNAL USERS** - via [MyServices\(IS\)](#) or ABBGlobalServiceDesk@abb.com email address (please include "LMS" or "MyLearning" keyword in subject line)
- **EXTERNAL USERS** - via PL-MyLearningappsupport@abb.com email address

This is an automated message. Please do not reply directly to this email - this mailbox is not monitored.
